

## **Sunil Jain**

Sunil is a Senior Vice President at VALE Insurance Partners LLC, a managing general agency that focuses on specialized property & casualty insurance programs. Sunil is responsible for managing all financial and operational aspects for the company, which engages in acquiring other insurance servicing companies, as well as developing them organically.

Prior to joining VALE, Sunil was an Associate at Southport Lane, a private equity firm focused on the insurance and financial services industries, responsible for underwriting insurance transactions to maximize risk-adjusted returns.

He spent three years at Bank of America Merrill Lynch as an Associate, helping to build the investment bank's underwriting and ratings & risk analysis platform for investing in distributed solar projects.

Sunil is a Carnegie Mellon University graduate with a degree in Finance and Statistics.
