Serent Capital is proud to support SEO's mission to create a more equitable alternative investments community by closing the academic and career opportunity gap.

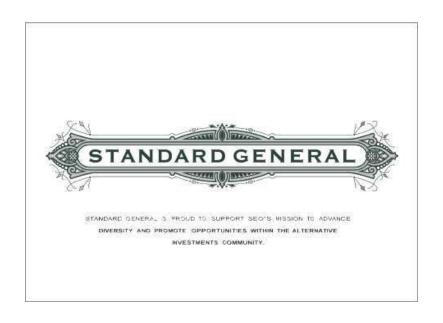

LEARN MORE ABOUT SERENT AT WWW.SERENTCAPITAL.COM

Serent Capital invests in profitable, growing technology companies. We typically invest in founder-led companies and often represent the first institutional capital in the company. We are highly selective, choosing to invest in only a handful of businesses each year. Our selectivity ensures that all our companies receive the attention and expertise that they need.

At StepStone Group, everyone is heard.

This idea has driven and defined the firm since we were founded in 2007. For us, diversity and inclusion have always been core to who we are and how we work. Different personalities, experiences and perspectives create richer discussions, better answers and a healthier work environment—and form the collective strength that enables us to compete and succeed.
